

## Simplified Bat Rules:

No two and three quarter inch (2-3/4") diameter bats are allowed at any level of play.

Two and five-eighth inch (2-5/8") diameter bats that weigh minus 3 (-3) bats must have the BBCOR .50 stamp on them are legal, as long as they are designed for baseball use.

Two and five-eighth inch (2-5/8") diameter bats that weigh minus 4 (-4) through minus 13 (-13) bats are legal as long as they do not exceed 42 inches in length, as long as they are designed for baseball use.

Two and one-quarter (2-1/4") diameter bats must have a BPF of 1.15 or less stamped on them and they must also have the Approved for PONY Baseball stamped on them as well.
